**SDG 17 - Clause -17.2.1 Relationships with regional NGOs and Government for SDG Policy**

**1. PANCHAYAT: (WORKING WITH VILLAGE LEVEL ADMINISTRATION)**

India is the world's largest Democracy and the power truly lies in the hands of the people. Thus, the power is transferred to the grass root levels by the Implementation of Gram Panchayats, which means the Village Administration. True service can be delivered by working with such Village Panchayat, by delivering the Medical Services which is not available for the remote rural community especially in inaccessible areas.

Thus, by working with such Village Panchayats DMIMS reaches out to the commitment and fulfillment of various Sustainable Development Goals and ensure the basic Medical Health Services.

Accordingly, the "Access" to Medical facilities is provided free of cost to such marginalized, underprivileged Community in remote Tribal Areas of the location in and around Nagpur in line with the SDG 3 Good Health and Well being.

Few of the recognition received from various Panchayats/NGOs are given as under ready reference
