SDG 3 - Clause 3.3.4 Sexual and reproductive health care services for students

At DMMIS, the students are taken care of in every respect as a matter of addressing the holistic welfare requirements of Students.

The Department of OBGY takes care for the specific requirements through various initiatives which are organized free of cost.

Specific Sessions dedicated for the purpose of Sexual and Reproductive Health care are conducted for the Boys and Girls / Male and Female / all Genders in form of lectures.

Special Educational Program on Menstrual Hygiene and Women Health are also conducted on a periodic basis for all the female students, which is much appreciated and well attended. A special initiative is by the popular PCOD Club to address the issues relating to "Polycystic Ovary" and to inform about their remedial measures.

Apart from the above, special provisions for Feeding/Nursing Rooms, Rest Rooms are available for the students for taking care of their child.

Special Clinics are run for the purpose of the Women Health and Reproductive Health System by the Department of OBGY. It is an innovative and much needed initiative of Milk Bank that is run by DMIMS which is of world standards and promotes the Breastfeeding and taking care of the dire needs of babies who lack mother's milk, by utilization of the Mother Volunteering Program.
