SDG 4 - Clause 4.3.4 Education outreach beyond Campus

Outreach activities tailor made lectures or demo with local schools / community

Various outreach initiatives have been undertaken by faculty, staff and even students to educate local communities, local schools and elderly population. Community Medical Awareness on the wellbeing of the Senior Citizens are conducted in the areas where age-related ailments like vision, Dental etc. are prevalent and remedial measures are provided free of cost to the less privileged local tribal community. For this purpose, a dedicated centre is functioning in DMIMS under a veteran Academician of the University. Various educational outreach activities conducted particularly by students are as follows;
